incorporating HC 1056 session 2008-09

EU member nations must decide whether to ratify the Nice Treaty this report written to inform these decisions is highly critical of the treaty but argues that it should be passed since it is repairable and rejecting it would delay eastern enlargement it proposes two emergency repairs to the treaty the authors marshal the best

available empirical evidence and analytic techniques to show that the treaty fails to meet its goal of adjusting eu decision making to the realities of a union with 27 members far from maintaining the eu s ability to act after enlargement the authors argue that the nice reforms reduce eu27 decision making efficiency below what it would have been with no reform unless the treaty is mended future integration will be guided by intergovernmental initiatives in which large members play a large role due to their economic dominance the treaty also fails to resolve the ecb s numbers problem enlargement without reform would also damage the ecb s decision making capacity the treaty does include an enabling clause to help solve this problem the report analyses the possible solutions and proposes specific reforms

drawing on new insights from political business and civic leaders who helped turn ireland into one of europe s most successful european economies saving the future describes the most striking years of ireland s economic development in addition it highlights the challenges that emerging irish cultural leaders face in sustaining competitiveness and social justice in a globalized market

discusses the relation between macroeconomic stabilization and structural adjustment during economic transition and the effect of emu on both

being one of the poorest countries in europe just 20 years ago ireland is now one of the richest in the world the number of jobs doubled in under 20 years living standards increased substantially and an economic boom has been sustained since 1994 author paul sweeney asks why did ireland a basket case economy and poor for so long suddenly take off in focusing on ireland s economic success he examines the lessons to be learned from this success he is assisted by the insights of an taoiseach bertie ahern peter sutherland as well as other leading business people trade unionists and perceptive observers in this international edition frances cairncross one of the world s leading economic writers has provided an introduction which sets ireland s economic achievements in their international context and answers the question is the irish experience replicable in other economies
